

## NEW RELEASES

*Callistemon* 'Hot Pink' A good size for the smaller garden or courtyard. It blooms profusely late spring and into summer with compact growth to 1.5 to 2m tall..

*Cleome* 'Señorita Rosalita' grows to 70cm tall and is covered with soft lavender blooms during the warmer months.

*Aloe* 'Diana' is a 1m tall by 0.6m wide stemming hybrid aloe which forms a pale green fleshy shrub and has an amazing production of pastel pink flowers which turn white as they open in winter. A soft but tough delight in any garden. Details [www.aloe-aloe.com.au](http://www.aloe-aloe.com.au)
